## DEPARTMENT OF THE ARMY

Headquarters, 214<sup>th</sup> Fires Brigade  
Fort Sill, Oklahoma 73503-5000

214<sup>th</sup> Fires Brigade

Welcome!

We are glad that you will be part of 214<sup>th</sup> Fires Brigade Team. This is a very exciting time in our Fires Brigade. We have three battalions that are part of regiments. The battalions include; a paladin 155mm, an MLRS and a HIMARS making the 214<sup>th</sup> Fires Brigade one of the most lethal brigades in the world. Also in the brigade is a brigade support battalion, three forward support companies, a target acquisition battery, and a signal company. All of our units are fully deployable and we continue to provide trained, disciplined and lethal forces in support of the GWOT!

You can locate our website at [http://sill-www.army.mil/214th\\_Fires\\_Brigade/index.htm](http://sill-www.army.mil/214th_Fires_Brigade/index.htm). From this site, you can connect to the Fort Sill website; both of these sites have valuable information.

We are fortunate to be stationed at Fort Sill, Oklahoma. This historic post, located in southwest Oklahoma, is approximately 90 miles southwest of Oklahoma City. The Lawton/Fort Sill community takes pride in numerous activities, sights – both historical and regional, and is a great place to visit year around. Fort Sill has excellent schools, easy access to outdoor adventures, and exciting recreational activities. All endeavors are in nearby locations, such as Lake Elmer Thomas, Mount Scott, shopping, theater, live sports, and some of the best family activities in the Army.

A sponsor will contact you from your new unit. In the meantime, officers may contact the 214<sup>th</sup> Fires Brigade S1 OIC at (580) 442-5433 and NCOs may contact the NCOIC at (580) 442-0259. We look forward to your arrival and serving with you in the LEADER Brigade!

Mitchell L. Williams  
Command Sergeant Major, US Army  
Brigade Command Sergeant Major
